

San Diego Postal & Shipping Equipment

Invites You to Attend Our

Postal and Shipping Cost Reduction Open House

Tuesday, June 10, 2008

Open House Format – Arrive anytime between **9:00 AM** to **4:00 PM** – Stay until you have seen it all!
Continental Breakfast and Lunch will be served to all of our Guests.

Attention Owners and Managers:

Are your postage and shipping costs rising faster than the temperature in July?

Do you know how much is spent on postage and shipping each month and by whom?

Are you getting the most value from your postage and shipping costs?

Have you considered direct mail as a means to grow your business, but don't know where to start?

- **Take home cost saving tools and strategies that can be applied to your business immediately.**
- **How to take advantage of USPS discounts and their new negotiable rates.**
- **Learn how to Reduce Postage and Shipping Costs through automation.**
- **Representatives of the United States Postal Service will be on hand to answer questions**
- **Factory Experts will be on hand to consult with you on cost saving strategies for the document, shipping and postal needs of your business.**
